Decision

What decision are you trying to make?

Natural Tendency

Check the box in the section below that resembles your normal operating condition

Too Little (Extreme)

What consequences occur when you operate at this extreme... positive and negative!

Lagom (Just Enough)

What are the ideal outcomes when you do this just right?

Too Much (Extreme)

What consequences occur when you operate at this extreme... positive and negative!

Hypothesis

What steps do you think will get you closer to lagom?

Plan / Do

- How will you test your hypothesis?
- How will you know if you are closer to lagom?
- When will you review?

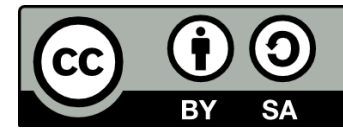

Study

What do your success metrics tell you?
Are you closer to lagom, farther away or the same distance?

Adjust

Do you need to tweak the plan & continue or make a new hypothesis?
